- You can count on our knowledge and expertise.

### **We want to provide the best service.**

There may be occasions when our service may not meet your expectations. In order to improve our service, we welcome and value your comments, complaints and compliments.

### **If you need to complain:**

Please speak directly to the clinic manager who will try to resolve your issue.

Alternatively, please complete our complaints form here – [Nomad Complaints](#)

Or by emailing [info@nomadtravel.co.uk](mailto:info@nomadtravel.co.uk).

### **We will respond by:**

- Acknowledging your complaint within 3 working days of receiving it; and
- Resolving or explaining the issue within 20 working days.

### **Our aim is to:**

- Find out what caused your concerns and why; and
- Apologise if we are at fault and take whatever action is necessary to prevent a repeat or what caused your complaint in the first place.

If you've followed the process outlined above, but you still feel your complaint is not resolved, you may wish to raise with our regulators the Care Quality Commission (CQC). The CQC are not complaint adjudicators but will ensure that the correct steps have been taken in your complaint.
